

Wheatland ONS Meeting

Date: November 16, 2010

Present: Debra Johnson, Mae Moore, Sandy Kruse, Janet Deneault, Janine Henry, Jane Peuchen, Beth Hansen, Mary Quinley and Chris Pacey

Meeting called to order by Sandy Kruse.

Minutes read and approved with corrections made.

Treasurer report – (see attached). Balance as of 10/31/10 is \$6,942.80. The Oncology Fair brought in \$3200.

The ONS Foundation sent a letter asking for support. A motion was made to give \$250 to the foundation from Wheatland. It was approved.

Newsletter – Carol Groth is stepping down from doing the newsletter. Janet Deneault volunteered to keep info up to date on the web site.

Fundraising – Mary shared the results of the Oncology Fair evaluations (see attached). Discussion took place. People liked having the cards initialed when visiting the vendors. The vendors left about 1 p.m. It was suggested to have a shorter lunch break. The longer morning break was good.

Special Needs – Chris Pacey stated nothing has been done recently.

Program – Janet is still working with SRHC for potential CNE for vendors. Having trouble getting CV's and objectives. She would like us to decide on dates for next year so she can work on presentations. It was decided to again do the third Tuesday. The next meeting will be January 18, 2011 and March 15, 2012 (Spring Break is 21 – 25).

Nominating – Jane Peuchen stated that Beth Hansen is willing to run for Vice President, Mae Moore for President and Janine Henry for Secretary. The ballots will be sent out.

Old Business:

It was discussed and approved to reimburse Beth Hansen for her ONS membership fee because she has attended three Wheatland meetings. This was a goal from this last year. Congratulations to Beth.

Cleaning for a Reason – It was decided to give \$100 donation to Candy Siko at Merry Maids. We trust that the money will go to our patients in Saline County.

New Business:

A motion was made to give Christmas Gifts to 6 patients at \$100 each. Each area – Mowery, Cancer Center of KS and SRHC can pick two patients each. Chris Pacey will get the money to each area.

Mary read a thank you note from Jane Peuchen for her door prize she received.

The speaker for the next meeting is Mike Scheffler, BMS – Expmpira for Breast Cancer.

December 2, 2010 is a free CNE Death Dying and Bereavement from 9a to 2p in Wichita at Southern Living Hospice. Six CNE's provided.

A special thank you to Janet Deneault for all the educational opportunities she helped to provide this last year.

Meeting adjourned.
